

Integrated Site Services

Supporting safe, secure & efficient
remote operations.

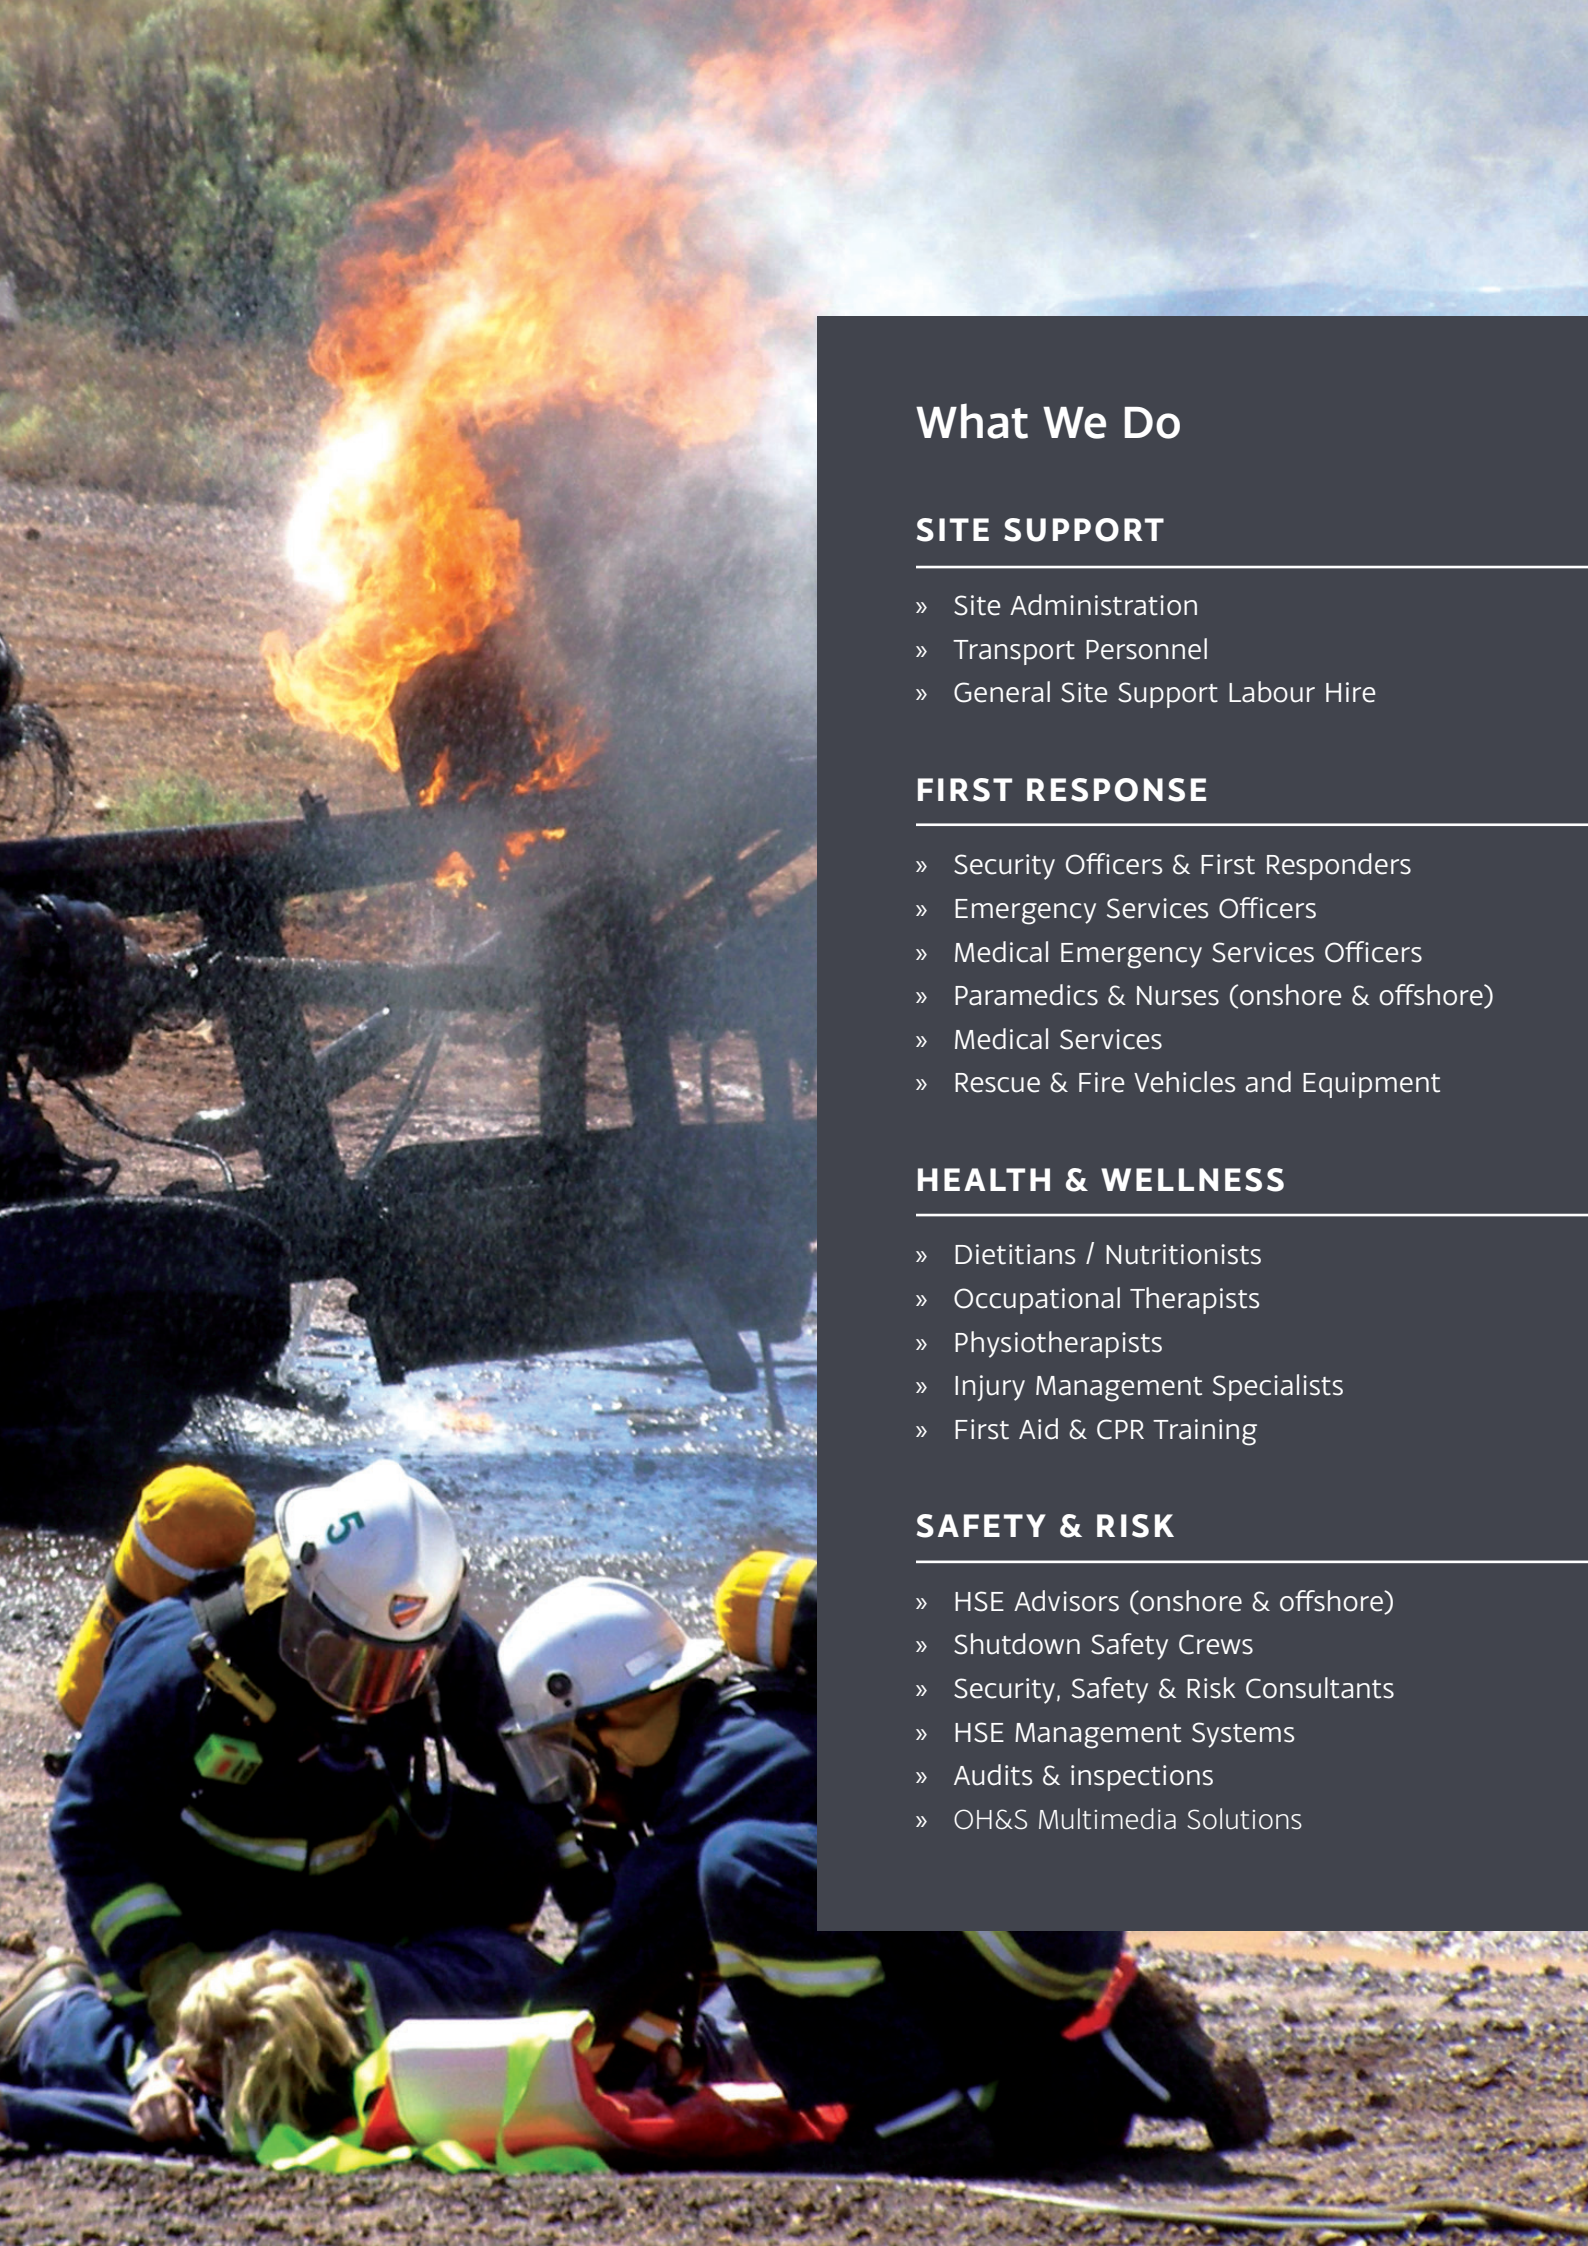

Kingkira Group offers a full spectrum of site support solutions for the resource, construction and government sectors.

Kingkira Group is a registered indigenous business with Supply Nation and has strong links to Indigenous heritage and Traditional Land Owner Groups. Tammy O'Connor, co-founder and Director of Kingkira Group, is a Traditional Land Owner from the Nyiyaparli and Palyku groups with connections to Ngarluma and Kariyarra people through her apical ancestors.

Kingkira Group has a management team with a wide range of experience in large multi-million dollar projects on mining, oil & gas and construction projects. They understand that quality deliverables, cost sensitivity and efficiency are demanded by clients.
